Non-Discrimination Policy

University (SDSU) not to discriminate on the basis of race, color, creed, religion, marital status, pregnancy, sexual orientation, age, disability, veteran's status, or the offering of all benefits, services, and educational and employment opportunities.

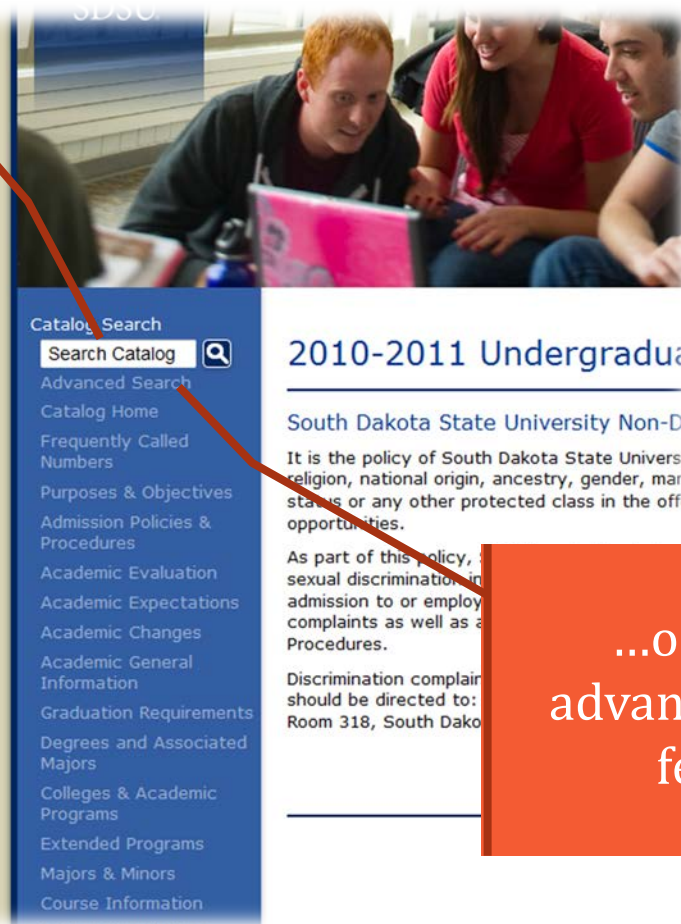

SDSU has appointed a Title IX Coordinator to assist individuals with any concerns about sexual harassment or activities. This includes discrimination on the basis of gender in educational programs or activities. The grievance process to address these concerns will follow the Board of Regents Human Rights Complaints Procedure.

For complaints of harassment or sexual discrimination in educational programs, contact the Title IX Coordinator, Human Resources, Administration Building, Room 318, South Dakota State University, Brookings SD 57007, Phone (605)688-4128.

Select the Graduate or archived catalog of your choice from the drop down menu.

2010-2011 Undergraduate Catalog

South Dakota State University Non-Discrimination Policy

It is the policy of South Dakota State University not to discriminate on the basis of race, color, creed, religion, national origin, sex, age, marital status or physical disability, sexual orientation, age, disability, veteran's status, and educational and employment opportunities.

As part of this policy, South Dakota State University provides a grievance process to assist individuals with any concerns about discrimination on the basis of gender in educational programs. The grievance process to address these concerns is the Board of Regents Human Rights Complaints Procedure.

Discrimination in educational programs should be reported to the Office of Equal Opportunity, Human Resources, Administration Building Room 318, (605)688-4128.

Print-friendly option on every page.

Course Descriptions

The screenshot shows a university course catalog interface. On the left is a blue navigation sidebar with links such as 'Catalog Search', 'Advanced Search', 'Frequently Called Numbers', 'Purposes & Objectives', 'Admission Policies & Procedures', 'Academic Evaluation', 'Academic Expectations', 'Academic Changes', 'Academic General Information', 'Admission Requirements', 'Degrees and Associated Programs', 'Degrees & Academic Programs', 'Extended Programs', 'Majors & Minors', 'Course Information', 'Course Descriptions', 'Services & Facilities', 'Organizations & Administration', 'University Staff', 'Academic Calendar', 'Campus Map', and 'My Portfolio'. The main content area is titled 'Course Descriptions' and features a 'Course Filter' section with a search prompt: 'Filter this list of courses using course prefix, course code, keywords or any combination.' Below this are input fields for 'Prefix:', 'Code: [e.g. "101"]', 'Type', and 'Keyword or Phrase: [e.g. biology]', each with a 'Select.' dropdown and a 'Filter' button. A checkbox option 'Find whole word or phrase only.' is also present. The course list is organized by department: 'A&S (Arts & Sciences)' with 'A&S 482-582 - Travel Studies'; 'ABE (Agricultural & Biosystems Engineering)' with 'ABE 122 - Introduction to Agricultural and Biological Engineering' and 'ABE 132 - Engineering Tools for Agricultural and Biological Engineers'. The 'ABE 132' entry is highlighted in yellow and includes a description: 'Familiarization with the equipment and systems common to agricultural and biological engineering. Introduction to measurement and analysis of parameters affecting engineered components and systems, including tolerance accumulation and external factors. Use of electronic spreadsheets will be developed as an engineering tool for programming and analysis of engineering data from natural resource, bio-processing, and equipment design.' To the right of the course title are links for '[Add to Portfolio]' and '[Print Course]'. At the bottom, a list of other ABE courses is shown: 'ABE 222 - Project Development for Agricultural and Biological Engineers', 'ABE 225 - Principles of Environmental Science and Engineering **', 'ABE 253-253L - Introduction to Meteorology and Lab', 'ABE 314-314L - Ag Power and Machines and Lab', and 'ABE 324-324L - Ag Structures and Indoor Environment and Lab'.
